GET-TOGETHER MEETING WILL OCCUR FRIDAY

Elks Turn Banquet Room Over To Boosters That Matters May Be Discussed

A monster "get together" meeting and banquet is to be held on Friday night at 7:30 o'clock at the Elks banquet room, and it is expected that covers will be laid for at least 250 of the best citizens of Tonopah.

This meeting is the result of the two previous banquets that were given, the first by J. Grant Crumley and the second by John G. Kirchen. Public spirit has been aroused and the feeling exists that the time is now most opportune for the organization of a strong commercial organization for Tonopah which will devote its efforts to the upbuilding of Tonopah in particular and southern Nevada in general.

The gathering at the festive board on Friday night will be wholly non-political and it is hoped to have present every business and mining man and substantial citizen in the community. A committee consisting of Joe White, J. Grant Crumley, R. Fred Brown, W. H. Royston, W. D. Hutton and A. H. Keenan was appointed last night to proceed with the furtherance of the plans for the banquet and they are this afternoon circulating among the business and mining men and others who are being asked to purchase tickets to the banquet at \$2.50 each.

Show your community interest and when called upon to purchase a ticket do it cheerfully. Great good can be accomplished through a chamber of commerce. Banquets at stated periods where all can get together and discuss matters of vital interest to the community will accomplish wonders in the upbuilding of our town. The movement so happily launched two months ago by Mr. Crumley and followed by Mr. Kirchen is worthy the united support of our citizens.

When request was made at the meeting of Tonopah lodge of Elks held last night for the use of the banquet room, the proposition met with unanimous favor.

ITINERANT DOCTOR IS GIVEN FLOATER

John O'Day, an itinerant chiropractor, found rough sailing in Tonopah. He had only been in town a few hours when he was haled before Justice Cuddy on the charge of selling a phony gold specimen. He was compelled to return the \$2.50 he had received, and was then given a sentence of 30 days, which was suspended upon condition that he leave town by Sunday morning. O'Day made his departure on schedule time and hiked to Goldfield. There he got mixed up with the officers and was given another floater, so back he hiked to Tonopah, arriving here Monday night. As he was registering at the Mizpah, an officer tapped him on the shoulder and marched him off to jail. Yesterday he made another plea for clemency and was given one more chance to make his presence scarce in Tonopah. Accordingly he departed for Millers, announcing that this time he would shake the dust of the desert from his feet once and for all time.

MUST VOTE FOR TWO IN PRIMARY CONTEST

According to a ruling of the state supreme court, voters casting a ballot for candidates for non-partisan offices are expected to mark a cross opposite the names of two candidates. The offices included are supreme court justices, regents of the state university and justices of the peace. The court holds that it is the intent of the law that each elector must designate his choice of two candidates instead of one, and that the two highest in the primary election shall make the race at the general election.

POSTAL AGENTS MAKING CHECK PARCEL THEFTS

Believed That Men Arrested May Have Been Guilty of Stealing Bullion

Federal Postal Agents S. H. Morse of Berkeley and C. M. Christensen of San Francisco are in Tonopah checking up on the thefts of parcel post packages during the past year by R. O. Green, express messenger, who has implicated J. M. Atkinson and W. E. Jones, brakemen on the Tonopah & Goldfield. It is reported that Green has implicated several others and it is expected that arrests will follow shortly.

Atkinson and Jones are still held in the Esmeralda county jail in default of \$2500 bonds, but their attorney, John M. Kinnz of Reno, feels sure his clients can secure bonds. Accordingly he requested of United States District Attorney Springmeyer at Reno that he be given a little more time in which to furnish sureties, which was granted.

In the arrest of Green, Atkinson and Jones it is barely possible that the mystery concerning the disappearance of the \$1000 bar of bullion shipped by the MacNamara Mining and Milling company may be solved. It is said all of the parties under arrest were in Tonopah on the date the bullion was stolen.

AMUSEMENTS

"RIP VAN WINKLE" AT THE BUTLER TODAY

"Rip Van Winkle," which is the feature attraction at the Butler today, has been called the season's greatest picture. It is a faithful reproduction of "Joe" Jefferson's world-known stage version to Washington Irving's immortal story, and Joe's own flesh and blood—his son, Thomas Jefferson—plays the title role so perfectly as to add new luster to the family name. Director Ward Lasselle has been responsible for many highly successful productions in the past, but never has he succeeded in creating a picture wherein drama, comedy, suspense and human interest are so perfectly combined. A two-reel comedy, "Laughing Gas," completes today's program.

Tomorrow, Elaine Hammerstein, in "Under Oath," and the latest "Pathe News."

Coming, Hope Hampton, in "Star Dust."
